## Romans 10: 9-10

"9 If you declare with your mouth, "Jesus is Lord," and believe in you heart that God raised him from the dead, you will be saved. 10 For it is with your heart that you believe and are justified, and it is with your mouth that you profess your faith and are saved.

We should always take the time to Pray

## NH Chapter #100

### Words From The Top

Greetings Lady's & Gentlemen,

The month of April was fantastic to say the least, our highlight being the talent show where we had professional quality entertainment which was enjoyed by all. Many delectable tidbits were made by our members (or their spouses). Although attendance was not as high as I would have liked, I have to take credit for that, I did not get the advertizing out in time. Between passing the helmet and the bake sale we managed to raise \$300.00, some of which we will send to the general fund in Mo.

We were finally able to get a consensus on the Banner design which is in production as I write. The International Director Carl Crackle will be joining us on the 26<sup>th</sup> of May, some of the members will be traveling on the 25<sup>th</sup> to meet Carl in Massachusetts and give him a proper escort into our great state. Carl will be coming with 6 other Road Riders to award us our Chapter Charter.

Our Chapter will be #100, a definite milestone for the Road Rider for Jesus organization. We will need to step up to the plate and make sure we set an example for other chapters to follow.

This month I want to mainly focus on the guy's, it might apply to some of the lady's also so don't feel cheated. Men, soon we will be going to various rallies and rides and functions. Most will be secular functions, and these are where we will want to be vigilant. Satan will be on the attack in various forms. We will be among people who will need our spiritual guidance or they might just need us to pray for them. But don't think for a minute that all the people we come in contact with are going to be welcoming. The need to keep God first place in all our ministry works must be a priority, we must remember why were doing what were doing.

Let's face it there will be members of the feminine gender as well as the male gender not wearing appropriate attire. That's exactly were Satan will rear his ugly head. Gentlemen, if you see something inappropriate make it a point to look the other way. If a member of the Female gender approaches you for help, when possible pass her on the one of our female members for one on one counseling. Same goes for the Ladies with the male gender, actually we should always be paired up. We also need to remember that our God and King will be with us at all times. As Brothers and Sisters we will need to stay accountable to each other and for each other. Watching out for each other's back, knowing from instinct when someone needs help.

I pray for each and every one of you daily, knowing that you are all ready to mount up for the incredible ride of your life. God will take us to places that we could not get to on our own, He will bring you to where He wants you to be.

God's Blessings to all of you

Yours in Christ

Dick Maynard

## Prayer Time with the Chaplain

Hello ! Brothers and Sisters of the Christ.

We have been learning the difference between a fan and a follower of the Christ, on Wednesdays. A fan admires a hero, player, singer; actor, actress whatever, but doesn't really suffer any hardships being a fan. A follower does whatever is required to remain a follower, otherwise they wouldn't be a follower, would they. Actors, players, singers, a hero wouldn't require much but Jesus says take up your cross and follow me. I don't know about you but a cross means long suffering, pain, humiliation, nothing pleasant, to me. The bible says one day people will stand before God, saying they cast out demons, preached, and healed people in Jesus name, but that the Master will say to them "Go away from me you evil doers, I never knew you". You and I have to stop and look at things, these people were not dubbers, they healed, they preached and cast out demons. I've never done any of those things. These people were good. they got wrapped up in the action, the religion and never developed a relationship. That's why He didn't know them, I think.

How about you. Do you have a relationship you would bet your eternal life on. I know that has me wondering a bit, gee wiz what if I stand before Him only to hear "go away from me, you evil doer, I never knew you." You see I could be an evil doer by getting you healed, one way or another, only to one day die (even if at a very old age) and you end up in hell forever because just like me, you never knew Him.

Let's get with the program. The easiest way to know Him is to read the word of God. (The Bible) Bible simply means sacred library. Old testament is the old agreement between God and man. Testament means covenant and a covenant is an agreement between God and man. The new Testament is the new covenant between God and man. A new covenant doesn't abolish a prior one unless specifically stated. READ THE WORD, THE BIBLE TELLS US, "JESUS IS THE WORD MADE FLESH." IF YOU KNOW THE WORD YOU KNOW JESUS!!! AND IF I WERE YOU I WOULD GO ONE STEP FURTHER AND TRANSFER THAT INFORMATION TO YOUR HEART, THE PLACE WHERE RELATIONSHIPS BEGIN. DON'T BE A FAN, BE A FOLLOWER, READ THE WORD AND PRAY LIKE CRAZY!!!!!!!

The Chap, May God Bless all of you!

P.S. If I had more time I would write you a shorter letter
