Romans 10: 9-10

"9 If you declare with your mouth, "Jesus is Lord," and believe in you heart that God raised him from the dead, you will be saved. 10 For it is with your heart that you believe and are justified, and it is with your mouth that you profess your faith and are saved.

Words From The Top

March 16, 2013

Dear Brothers & Sisters in Christ,

With Lent already upon us and Easter on March 31st, our thoughts and focus should be on Jesus Christ notice I said should be. I have to be honest, with all the distractions of today's world I find it hard to focus on anything (ADHD doesn't help), but somehow I need to get back to basics.

Easier said than done, I guess the logical place to start would be in Genesis, here we see that God the Father spent six day's creating the earth and all that would inhabit it and then He took the seventh day to rest. God created us for one reason to worship and serve Him. Stop and contemplate how many times God the creator has given the human race a chance to turn and repent from their sin, history is full of these events and yet we continue to fall. Look at Egypt in the book of Exodus and how many plaques we sent before they let the Israelites go. And then how many times did God take care of the Israelites in the desert, and yet what did they do, they made idols out of gold. And yet He sends us his Son as a sacrifice to pay for our sins. Our sins not His because He did nothing to deserve Death, This God made man Suffered and Died for us. Talk about Love, I cannot comprehend that kind of Love and yet we are supposed to be that way with God and each other. I know I could never do that on my own, that's why I'm eternally grateful to Jesus Christ for giving up His life for me and you. And given us the Mercy and Grace which is new Every day. If it were not for God's mercy and His gift of the Holy Spirit, I for one might not be here.

Sometimes when we pray to God we ask for the same stuff every time. Look at it this way, when you were young and you wanted something you would bug your folks day in and day out. Basically pestering them for whatever it was you wanted, most of the time you wouldn't get it anyways. I believe we only have to ask God once and then Thank Him for the work that He does each and every day.

We as His children have a lot to be thankful for, God has planted seeds of greatness in each one of us and it is our job to bring them forth and use them to there full potential.

As Road Riders for Jesus it is our job to convey this message to the lost and forgotten brothers and sisters of the world. But more than that we need to keep our God first place in all we do, thanking Him continually and praising Him always. For it is through His Son Jesus Christ that we will be able to carry out our mission, and with His Spirit that we will be able to accomplish all that God has planned for our lives.

Yours in Christ

Dick Maynard

Road Riders For Jesus

V.P. Report

Greetings in the name of our Lord and Savior Jesus Christ! With the Daylight Savings time I am excited that Spring is on its way and we will be riding before we know it. Some things to think about as you get ready for riding with a passenger:

(From the Motorcycle Safety Foundation)

Operator Preparation

1. Passengers should be considered as a second “active” rider so they can help ensure that safety and procedural operations are correctly followed.
2. A passenger will affect the handling characteristics of a motorcycle due to the extra weight and independent motion.
3. A passenger tends to move forward in quick stops and may “bump” your helmet with theirs.
4. Starting from a stop may require more throttle and clutch finesse.
5. Braking procedures may be affected. Braking sooner and/or with greater pressure may be required.
6. More weight over the rear tire may increase the usefulness and stopping power of the rear brake, especially in quick stop situations.
7. Riding on a downgrade will cause braking distance to increase compared to a flat surface.
8. Extra caution is called for in a corner because of the extra weight. Cornering clearances may be affected.
9. More time and space will be needed for passing.
10. The effects of wind, especially side wind, may be more pronounced

Motorcycle Preparation

1. The motorcycle must be designed to accommodate a passenger.
2. The motorcycle owner's manual should be reviewed for manufacturer's tips about motorcycle setup as well as any related operational recommendations.
3. The motorcycle's suspension and tire pressure may need adjustment.
4. Care should be taken to not exceed the weight limitations specified in the owner's manual.

Passenger Preparation

1. Passengers should be tall enough to reach the footrests and mature enough to handle the responsibilities.
2. Passengers should wear proper protective gear.
3. Passengers should receive a safety briefing (see #7 below).
4. Passengers should consider themselves a second operator and share responsibility for safety.

General Safety Considerations

1. You need to be experienced in the motorcycle's operation and have a safety oriented attitude before taking on the added responsibility of carrying a passenger.
2. Practice low-speed clutch/throttle control as well as normal and emergency braking in a low-risk area like an open parking lot, with a passenger.
3. Use caution in cornering and develop cornering skills over time to ensure passenger comfort and safety.
4. Use caution in corners as clearance may be affected.
5. Use MSF's Search, Evaluate, Execute strategy (SEESM) to increase time and space safety margins.
6. Allow time for a passenger to adjust to the sense of speed and the sensation of leaning; speeds should be conservatively safe and reasonable until a passenger acclimates to the proper riding techniques.

7. Ensure passengers follow safety procedures:
 - a. Complete personal protective gear is properly in use.
 - b. Hold operator's waist or hips, or motorcycle's passenger hand-holds.
 - c. Keep feet on footrests at all times, including while stopped.
 - d. Keep hands and feet away from hot or moving parts.
 - e. When in a corner, look over the operator's shoulder in the direction of the corner.
 - f. Avoid turning around or making sudden moves that might affect operation.
 - g. If crossing an obstacle, stand on the pegs with the knees slightly bent and allow the legs to absorb the shock upon impact.
8. Allow more time for passing.
9. Be ready to counter the effects of wind.
10. Avoid extreme speeds and dramatic lean angles.
11. Be ready for a passenger "bump" with their helmet or with their whole body sliding forward during hard braking.
12. Have the passenger mount after the motorcycle's stand is raised and the motorcycle is securely braced. Hold the front brake lever if the surface isn't level.
13. Have the passenger dismount first.
14. Annually complete a Basic Rider Course 2 – Skills Practice with a passenger.
15. Have frequent passengers complete a Basic Rider Course so they can better understand the operator's task.

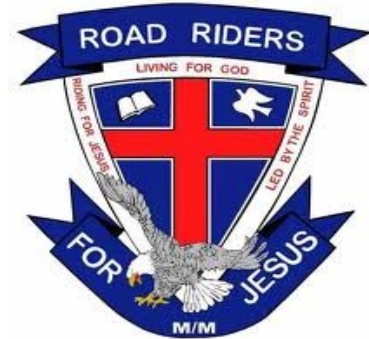

Looking forward to a great riding season!

Your Brother in Christ,

Dan

Meeting Minutes for February 16 2013

Present: Dick Maynard, Steve Allison, Dan Coleman, Laura Coleman, Steve Abbott, Donald Plumpton, Donna Plumpton

Announcements

Anonymous donor gave \$500 gift to the ministry. A portion of the money will be used to purchase 100 bibles to be distributed to people when we share the gospel with them.

Discussion

Dick opened the meeting with prayer at 8:05 AM.

Dick announced that Laura has a 250 Yamaha motorcycle available for any interested member.

Laura reviewed the minutes from the previous meeting and the members present accepted the minutes as written.

Dick presented the By-Laws and paperwork that Laura created for the registration of the NH Chapter to the State. Dick suggested some minor changes and Laura will get the revised version to Dick to get to the state.

Members discussed the two graphic options for the banner. Members selected the image that portrays the RRFJ logo on the left and the Old Man of the Mtn on the right with the name in the center. A suggestion was made to replace the Old Man of the Mountain graphic with just the state of NH, different colors depicting the counties if possible and with a star where Manchester is located on the map.

Laura said she would draft a new one with the suggested changes and bring to the next meeting.

Dick announced that he is looking to incorporate a "Members Bio" spotlight in each monthly newsletter which will help members "get to know" each other. Since no one responded to Dick's request in February, he opted to showcase Jesus to kick it off. He asked that members submit their bios to him for inclusion in future newsletters.

Members discussed fundraising ideas and the group decided to focus on coordinating and launching the talent night. Points discussed include the following:

Talent night held two times a month, one at Faith Baptist Church and one at Christian Fellowship Baptist Church

The talent show would be offered in a open coffee house format (I.e., open from 6-9 PM every other Friday/Saturday evening with coffee and tea served, other refreshments would be offered for a donation)

Talent show would have an MC

Varied talent, vocal, instruments, humor, etc talent would be included

Donald will plan and coordinate the talent show. Anyone interested in helping can let him know.

Next Steps:

Members interested in participating in talent show should contact Donald and let him know.

Members interested in volunteering for cleanup crew after shows should contact Donald to let him know.

Laura to get paperwork to Dick for state submission.

Dan will connect with Pastor Craig to discuss the possibility of the ministry using the fellowship hall at CFBC to hold a coffee house talent show once a month.

Donald will connect with Pastor Fred to discuss the possibility of the ministry using the fellowship hall at Faith Baptist Church to hold a coffee house talent show once a month.

Laura will email Donald a summary of the discussion related to the talent show.

Members submit short bios to Dick.

Prayer Time with the Chaplain

March 16,2013

Hello to all who live in and through the Christ.

The other day I was reading in Genesis chapter fifteen verse six. It was just after Abram had complained about no heirs, The Lord said to him to look at the stars and count them if you can your descendants would be like that. "And Abram believed the Lord, and the Lord declared him righteous because of his faith." NLT the KJV leaves out "because of his faith" part. The fact is God declared a man **RIGHTEOUS** because of his faith! I think we get mixed up on that faith thing. You see it wasn't faith that made Abram righteous, or you and me righteous. It was "**FAITH IN GOD**" My Bible tells me its impossible to please God with out faith. I would think boy that guy or that woman has a lot of faith. It would be like reach down into your faith bag and pull up a couple of big handfuls of faith for something.

There is a country song where an old man goes out to learn to drive an old pick up and knocks down a mail box. The son asks for the keys and drives the father home. Then the song goes "what's the use in tryin, he never drove again, cause it ain't no good when nobody believes in you." In the end of the song it also talks about God not wanting to do much cause nobody believes in Him. I know we all believe God exists. but I believe the real believing starts when you believe He can Do all the things He used to do. You see it could be like this , Abram and others who came before us, believed God could do anything, children being born at 100 years old, walls coming down to insure victory at Jericho, sea parting then wiping out the entire army of the strongest nation on earth, healing lepers, remember Jesus said I do nothing but by the father, I could go on and on and so could you.

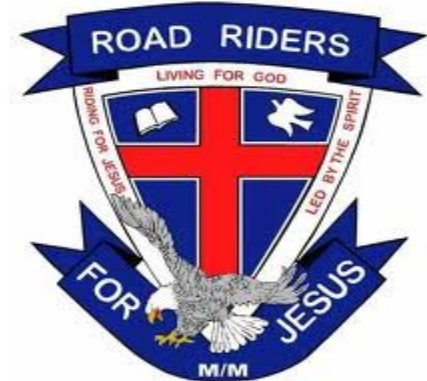

The **FACT** that remains is this " He's the same today yesterday tomorrow He never changes! " I could be wrong and tell me if I am. I figure the problem is with us and our **BELIEVING**, believing if God said pray for that guy or girl to get well they really would, or for Him to heal our land . Before any of that can happen we have to really believe in **HIM**. as for me I'm gonna get started on that now with God blessing I will do it . The Chap

Every Month we will focus on learning our members, if we know each other better we can better serve each other and our families.

This months member is
Donald and Donna Plumpton

My name is Donald Plumpton. Not too long ago, Dick told me to sell my scooter and buy a motorcycle so I could join a Christian Motorcycle Group. I told Dick I had gotten a bike, and asked how many guys were in the club, Dick smiled and said you and me brother! That's why I am writing this picture into my life. My wife's name is Donna (she's in the club also,) and we have been married forty one years, forty two come June. We have four children, Matthew, Jonathan, Lindsay and Timothy. Matthew is the oldest at 39, his wife's name is Christine and they have three children, Brandon 7 , Jocelyn 5 and Mikayla at 1. He lives in Candia and goes to Faith Baptist now, PRAISE GOD !! Jonathan is 37 his wife's name is Cheryl and they have two children Ryan at 7 and Rachel at 6. Jonathan is starting to come to Faith Baptist also, PRAISE GOD !! My daughter Lindsay at 35 is married to Nathan Leveque , and doesn't seem to want children of her own. She teaches at a High School in Brattleboro Vermont . Timothy just got married to Catlin, and he is 32. My whole life has evolved around family, I was one of seven children growing up. All my brothers and sisters live within a few miles of each other, and we are all close. My wife insisted on camping as our family grew up. Other than knowing Jesus the Christ, as your personal Lord, and Savior that was the best thing we ever did. Brings a family close !!

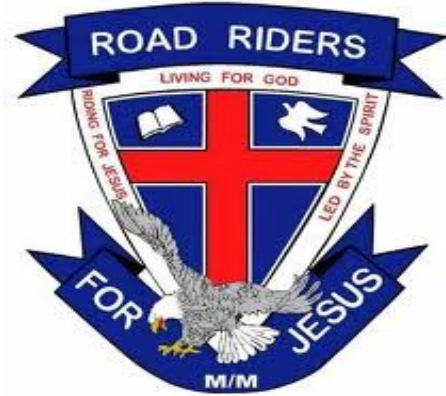

I made a living as a HVAC guy, also doing all kinds of maintenance, for the Postal Service, working for those guys for 33 years. I didn't make much money but there was always work. Before the post office I worked as a Social Worker for the Manchester Housing Authority. I am retired now and really desire to serve God through Music. I never had a hobby, from now on Music will be my hobby. Only Christian Music, that's all I care about any way! To many who know me I am a JESUSFREAK , it's my email address ajesusfreak@comcast.net Benjamin Franklin said if he had more time he would write you a shorter letter. I pray this is all, the really important things. May God Bless you all and I believe He does!!!
